Supplementary file 2. Referral Patterns

2012-2013						
Network hospital (diagnosis)	Treatment in network		Referral to dedicated expertise center		Referral elsewhere	
	Number of patients	Percentage	Number of patients	Percentage	Number of patients	Percentage
Hospital A	590	97	8	1	9	1
Hospital B	326	94	11	3	10	3
Hospital C	233	96	6	2	4	2

Table 1a. Diagnostics and treatment within network, referral for treatment to dedicated expertise center or outside the region (first period, 2012-2013)

2014-2015						
Network hospital (diagnosis)	Treatment in network		Referral to dedicated expertise center		Referral elsewhere	
	Number of patients	Percentage	Number of patients	Percentage	Number of patients	Percentage
Hospital A	616	96	10	2	9	3
Hospital B	339	96	4	1	15	2
Hospital C	242	96	5	2	4	2

Table 1b. Diagnostics and treatment within network, referral for treatment to dedicated expertise center or outside the region (second period, 2014-2015)

2016-2017						
Network hospital (diagnosis)	Treatment in network		Referral to dedicated expertise center		Referral elsewhere	
	Number of patients	Percentage	Number of patients	Percentage	Number of patients	Percentage
Hospital A	584	97	1	0	6	1
Hospital B	327	96	14	2	13	4
Hospital C	292	97	2	1	8	3

Table 1c. Diagnostics and treatment within network, referral for treatment to dedicated expertise center or outside the region (third period, 2016-2017)
