Supplementary file 4. Search Strategy

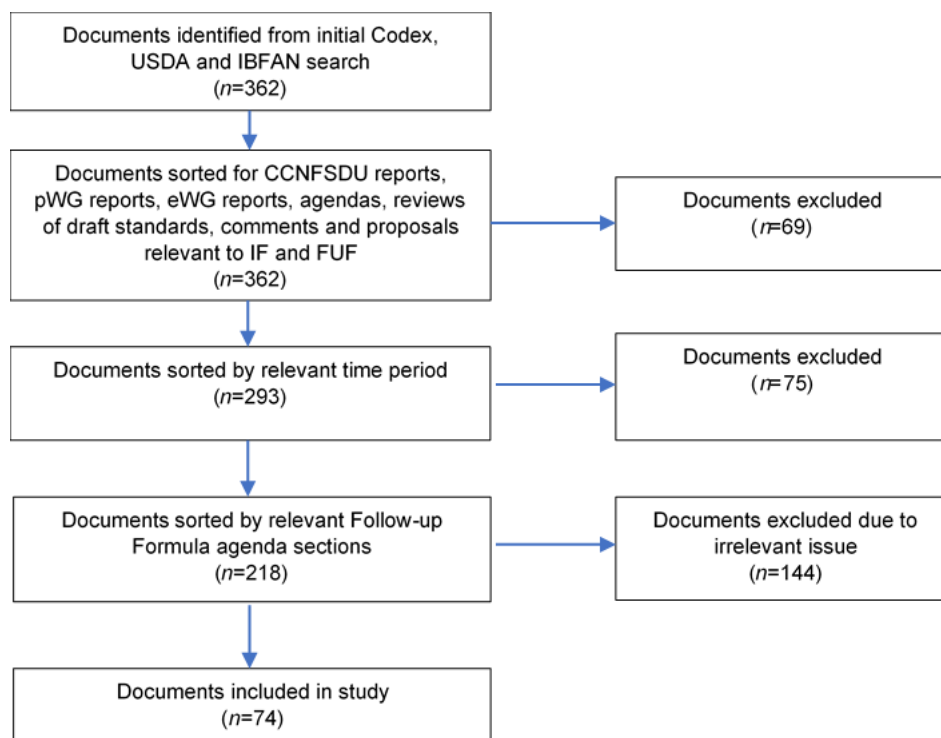

Figure S1. PRISMA summary of the search process for documents relating to deliberations on the Standard on Follow-up Formula at Codex Committee on Nutrition and Foods (CCNFSDU) meetings

Table S4. Inclusion and exclusion criteria applied in the document search process

Inclusion Criteria	Exclusion Criteria
Codex CNFSDU session reports, electronic working group reports, and expert meeting reports	Documents outside of 2015-2019
Codex CNFSDU background documents and discussion papers	Documents not in English
Reviews of the standard and proposed drafts for Follow-up Formula	Texts relating to the standard for Infant Formula, Formula for Special Medical Purposes, and Ready-to-use Therapeutic Foods
Codex CNFSDU comments of member states, delegates and observers relevant to additional labelling requirements, protein content and carbohydrates provisions	Reports/comments on aspects other than those specified e.g., biofortification, probiotics and trans fatty acids
